

## 2024 Free Educational Webinars

We are excited to announce our webinar list for 2024! Below are some crucial topics we will be covering:

2/7/24 - 3 PM EST

### Prescription Drug Plans

This webinar will cover essential information such as coverage options, formularies, co-pays, and other aspects of the plan. Participants have the opportunity to learn about PDP plans, cost-saving strategies, and how to navigate the plan for optimal health outcomes

3/13/24 - 3PM EST

### Enrollment Periods

This webinar provides participants with a comprehensive understanding of essential enrollment periods, including the initial enrollment period, annual opportunities for plan adjustments, and specialized enrollment periods tailored to unique circumstances.

4/16/24 - 3 PM EST

### Common Misconceptions About Medicare

During this webinar, experts address misconceptions related to coverage, costs, eligibility, and other aspects of Medicare. Participants gain valuable insights to help them make more informed decisions about their healthcare coverage.

5/15/24 - 3 PM EST

### Medicare 101

In this webinar, experts guide participants through the basics of Medicare, covering topics such as eligibility criteria, different parts of Medicare (Parts A, B, C, and D), and the associated costs.

6/12/24 - 3 PM EST

### Medicare FAQ's

During this webinar, experts provide clear and concise answers to frequently encountered questions related to Medicare eligibility, enrollment, coverage options, costs, and more.

7/16/24 - 3 PM EST

### Medicare Supplements

In this webinar, participants learn about how Medicare Supplement plans work alongside original Medicare to help cover out-of-pocket costs, such as deductibles and co-payments. Experts guide attendees through plan options, coverage variations, and the enrollment process.

8/13/24 - 3 PM EST

### Medicare Advantage Plans

During this webinar, experts guide participants through the comprehensive coverage offered by Medicare Advantage plans, which often include additional benefits beyond original Medicare, such as vision, dental, and prescription drug coverage.

9/18/24 - 3 PM EST

### Social Security Basics

This webinar will walk participants through the basics of Social Security, covering topics such as eligibility criteria, retirement benefits, disability benefits, and the application process.

Click on any topic to register! We look forward to keeping you informed.
